## EDUCATION

---

### University of Oxford

Oct. 2013 – Sept. 2014

MSc Computer Science

**Grade:** Distinction

**Project:** Predicting Graphical Passwords (PHP, MySQL, JavaScript and R)

**Completed Courses:** OOP, Machine Learning, Computer Security, Databases, Visual Analytics, Intelligent Systems, Computational Linguistics.

### University of St Andrews

Sept. 2008 – June 2013

BSc Mathematics

**Grade:** First Class Honours

**Awards:** Dean's List 2012-2013

## OTHER COURSES

---

Completed multiple online courses (MOOCs) from various institutions on topics including algorithms, programming languages, computer networks and machine learning.

## PROGRAMMING SKILLS

---

- Proficient with R, Java and Python.
- Familiar with PHP, MySQL, HTML, CSS and jQuery/jQueryUI.
- Some experience with PostgreSQL, JavaScript and Ruby.
- Brief experience with Scala, ML and Racket.

## RELEVANT WORK EXPERIENCE

---

### YouGov America – Intern

Nov. 2014 – Oct. 2015

- Prepare data for and perform analysis using open source tools – predominantly using R.
- Analyze data using quantitative market research techniques such as clustering and modelling.

### DieSmart – Intern

Aug. 2013 – Sept. 2013

- Developed a WordPress site with embedded SurveyGizmo surveys.
- Created a 'dashboard' UI using jQuery.
- Designed and implemented MySQL database schema.

## OTHER WORK EXPERIENCE

---

### **St Andrews Links Trust – Caddie**

May 2012 – July 2013

- Promoted from Trainee Caddie based on customer feedback.
- Provided excellent customer service and communicated with people from all over the world.

### **University of St Andrews – Ambassador**

Sept. 2011 – May 2012

- Guided prospective students on open days.
- Mentored secondary school pupils.

## SIDE PROJECTS

---

- Created a website (in PHP/jQuery/HTML/CSS/MySQL/Ajax) to provide a weather forecast and a rating from 1-10 on suitability of the conditions for playing golf. Not currently hosted and being converted to Python to run on Google App Engine.
- Java GUI for recording/tracking my earnings while working as a Caddie.

## POSITIONS OF RESPONSIBILITY

---

### **University of St Andrews Touch Rugby Club –**

Oct. 2010 – May 2012

#### **Treasurer/Health and Safety Officer**

- Applied for funding from the Athletic Union.
- Collected membership fees and managed club finances.
- Attended committee meetings, providing improvement ideas.
- Led coaching sessions and kept first aid kit in stock.

## ACTIVITIES

---

Golf – R&A bursar for 2008-09 and University First team 2008-09 (University of St Andrews).

## PUBLICATIONS

---

Summary of Master's project has been accepted to HCI International '15 Conference.
